Pond hockey is the Elk Point Oil Barons' game of choice

Elk Point Pond Hockey's fast-growing contingent of players, coaches and executive show off their handsome new Oil Barons jerseys to five of the sponsors that helped make the jerseys possible: (back row far left) Karen Bjornstad of E-Can Oilfield Services, Doug Bassett of Elk Point and District Lions, (back row far right) Robert Tchir of Lakeland Tire, Felina deMoissac of Prairie Tech Oilfield Services and Carrie Rawlake of CNRL. Story, Page 2.

Quick-thinking brothers thwart abduction attempt

CST. ROY AUGER
Elk Point RCMP

Elk Point RCMP are asking parents to be on the alert after an incident on Jan. 16 at about 8:15 a.m., when two brothers aged 8 and 9 were walking to school. They were approached by a vehicle on 52 Avenue and 54 Street in Elk Point. The vehicle's passenger opened its door, reaching for something in the backseat and asked the boys if they wanted a ride to school. Quick-witted, the boys said "No" and started running.

The vehicle drove away very quickly east on 52 Avenue and then south on 51 Street. The incident was reported to the Elk Point RCMP that afternoon.

The car was described as a model similar to a Toyota Camry, 4 doors, dark green or greyish in colour with an Alberta licence plate and no apparent exterior damage.

The driver was described as a native male, around 45 years of age, wearing a black toque, black coat, and a few days old mustache. He possibly has a cross tattooed on the back on his neck.

The passenger was described as a native male, around 30 years of age, wearing a strip toque, black coat and light blue jeans. He had earrings in both ears, a silver chain and had a goatee.

It is possible that the same vehicle had been seen around the school grounds after hours also.

The RCMP would like parents to be aware of the situation and be extra vigilant. It is also a good time to discuss with your child what a stranger is and what to do if they encounter one, no matter what the approach tactic is.

Full slate for 2015 executive

VICKI BROOKER
Review Staff

Elk Point Chamber of Commerce now has at least one nominee for each position on the 2015 executive, in preparation for the elections to be held at for the Feb. 4 annual general meeting.

This year, for the first time in remembered history, the AGM will be held at the chamber's regular meeting time and date of 12:00 noon on the first Wednesday of February, rather than an evening meeting later in the month, which in recent years has not brought in an increase in attendance from the number that attend the regular noon meetings.

The annual meeting agenda also includes setting meeting times and dates for the coming year and seeking volunteers for standing committees.

Pond hockey continues to grow in popularity

MARIA CUEVA
Elk Point Pond Hockey

This is our third year offering Pond Hockey to Elk Point and the surrounding area. We have 32 kids registered this year in two age groups, six to nine years and 10 to 15 years old.

We practice on Monday nights from 7 to 9 p.m., first

the younger group at 7 p.m. and then the older group joins them at 7:45 p.m. for 15 minutes of practice together and then the younger group goes home and the rest continue their practice.

All our players have had the opportunity to play games with neighbouring towns' Pond Hockey teams so far this year. We will be having a one-day home tournament on Saturday, March 21.

Our aim in Pond Hockey is to give all players the opportunity to learn the game in a less competitive environment while having fun.

This year we asked our local businesses and organizations for donations for team jerseys. The response was great.

Our five biggest donors were Prairie Tech Oilfield Services, Lakeland Tire, E-Can Oilfield Services, CNRL and Elk Point Lions.

Without these generous donations we would not have been able to supply this large team with hockey jerseys. So we are very grateful for the support we have received.

The kids got to choose the team name, colors and logo, "Oil Barons," for their new jerseys.

We have lots of volunteers to make the wheels turn. On our coaching side we have Jason Pankiw as our head coach, Shaun Pavoll coaches the younger group and Rick Rybchinsky is his right hand man. Lyon Cueva is assisting with the coaching of the younger group of players.

Tessa Pankiw is our scheduler and go-to person if you want to get things done and myself as club president, to name a few.

Make that 33 kids in pond hockey, just got a phone call and we have a new 10-year-old boy joining us on Monday. We are still taking in players; if they want to play, we will be happy to have them.

Teens collect jeans

VICKI BROOKER
Review Staff

Teens and jeans are a natural combination, and F. G. Miller High School's PUP group members have joined a quest currently sweeping North America that endeavours to give homeless young people a pair of jeans.

Kelsey Phillips, a Grade 12 student at FGM, heard about the program, called Teens for Jeans, and was inspired to get the school involved.

"What many don't realize is that one in every five homeless persons is under the age of 25 and that the most requested item is a simple pair of jeans. In order to aid in this issue, the program aims to inspire youth to help other youth and give back to their communities," Kelsey says.

The P.U.P group decided to lend their aid to this cause and use the event to support the random acts of kindness movement that is part of this year's 'STAND UP' campaign, which incorporates both Random Acts of Kindness (RAK) Week, Feb. 22 to 28, and the school's annual Pink Day, Feb. 25.

The school will be collecting jeans of any size and any colour, as long as they are gently used and not too worn, any time up to Feb. 11, and will be accepted at the school from Monday through Friday.

NOTICE

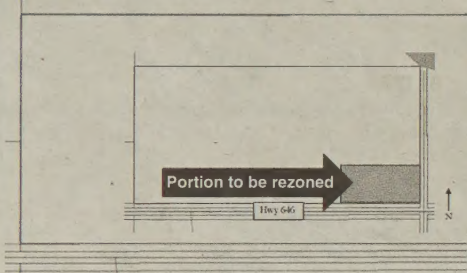

County of
St. Paul No. 19

Notice is hereby given that the Council of the County of St. Paul No. 19 is considering Bylaw No. 2014-34 which is a Bylaw to amend the Land Use Bylaw No. 2013-50 as it relates to zoning of the following land:

Part of S ½ of SE 6-57-6-W4M

Proposed rezoning from Agricultural to Industrial Commercial

A Public Hearing will be held on **Tuesday, February 10, 2015 at 11:00 a.m.** or as soon thereafter as can possibly be arranged, at the County Office (5015-49 Ave.) in St. Paul.

Copies of the Bylaw and Plan may be inspected during normal office hours at the County Office.

For further information, contact the County Office at 780-645-3301, ext 205.

Request for Tenders

The St. Paul & District Co-op is now accepting tenders for a 2006 Freightliner Tandem Axle Mercedes powered with Allison-automatic transmission fuel truck.

Tenders can be dropped off at the St. Paul Coop Petroleum Department in a sealed envelope or mailed to St. Paul & District Co-op, #3-5017 42nd Street, St. Paul Alberta T0A 3A2.

All envelopes must be marked "Fuel Truck Tender" Attn: Dwayne Odgaard and received by February 18th by Noon.

Lowest tender not necessarily accepted.

For spec sheet visit our web page at www.stpaulcoop.ca or visit your St. Paul Co-op Petroleum Department for more details.

St. Paul & District

All three Provincial teams advance to second round

The Micro Novice Avalanche must have been in bed early Friday night and had a big healthy breakfast early Saturday morning because they sure had energy to burn when they hosted Saddle Lake and celebrated with a big win. "Hurricane Kayl" Warawa, Raif Evans-Anderson, Madden "Mad Dog" Flamand, "Good Time Charlie" Lesyk, his younger brother Braylee "BJ" Lesyk all scoring hat tricks. Sebastian Brousseau and Kaysen deMoissac with two goals each, Trystn Sakowsky with a single. Assists for Riley Bourne, Brendan Kadutski and Linkoln "Park" Pankiw

You got to love this! All three of our provincial teams, the Atoms, Peewees and Bantams are advancing to the second round of provincial play after all three had big wins this past week.

The Atoms traveled to Smoky Lake on Thursday night, losing the first game by a close 7 to 5 score. Coming home down two goals in not a lot to worry about in Atom hockey, but you still have to tighten up the defense a little bit, but at the same time you need the offense or you won't be able to catch up. Smoky returned to our barn in Elk Point on Saturday and this one was truly a barn burner, the Avalanche winning 6 to 3 and winning the series by one goal. Kobe "Cobra" Warawa scored the winner in the final minute sending the crowd into a crazy frenzy.

After playing so well on Saturday in their provincial game, the Atom Avalanche followed up and played another terrific game on Sunday at 2 p.m., winning over Bonnyville 3 to 0. Another shut out this week for goalie Vanden "Super Mario" Moroziuk who vacuumed up every loose puck that came anywhere close to finding the webbing. Two goals for the flying Jaden "Jet Stream" Van Maarion. Luke "Sky Walker" Poulin winding up with his wicked slap shot for a goal, he also added two assists. Jadey "the Lady" Capjack, who just returned from Hawaii early that morning, with an assist. Nice job of fore checking up front by the forwards Brady "Oscar" Hymanyk, Landon Malachowski, Ceajay Quinney, Dean "the Machine" Ockerman and the sister act Avery "Whirlwind" Warawa and Rylee "the Rocket". On the back end, helping in maintaining the shutout, Josef

**doug
BASSETT**

Review Sports

"Red" Theriault, Odin "the Wall" Smith and "Bazooka Joe" Cardinal were all solid and very difficult to beat. Not on the score sheet but as always going strong both ways was the fierce competitor "Mic Jager" Fontaine, The Pee wee Avalanche traveled to Lloydminster on Tuesday night, winning 10 to 3. Not enough to win the series in one game, but a big cushion all the same, and on Sunday night at 6 p.m., they finished them off at home.

As for the Bantam Avalanche, they only took one game to eliminate Frog Lake in provincial play, winning 13 to 3 at home on Friday night. Maybe they went out and celebrated a little too much, or just couldn't get motivated for the games because they didn't seem as important, regardless they didn't play as well against Mallaig in a league game on Saturday at home, losing this one 4 to 3, or on Sunday on the road in Irma, losing this one 6 to 4; both of these are teams the boys have beaten before. Brody "the Big O" Odgaard scoring two against Mallaig, rugged Angus McFarlane adding one, Nicholas "Sparky" Anderson, Chad "Pick Pocket" Poitras and Austin "Astro" Axley adding the assists. On Sunday the "Big O" with two more notches in his stick, "Sparky" finding the twine with two, "Astro" and Hayden "Hot Wheels" Ludlage with the assists.

A three game weekend for the Pee wee Girls Storm, who work so hard every game but never seem to catch any breaks. Anytime one of them does get a break-away, like Jenna "Precious" Poitras did on Sunday after receiving a nice break away pass by Jaeanna Saskiw, they get tripped up before reaching the net. The speedy Paula Hladunewich was also almost in the clear a number of times but couldn't break free, but that doesn't seem to stop them from trying. Little Laramie "Larry" Parr was stoned right in the slot when she fired a one timer after receiving a nice pass by Sydnee Crawford and Kaylee Hannin. Hard-nosed Jelena "Prime time" Parr and Tiya "Tiger" Noel coming for a visit spending some time in the sin bin. Paityne Chartrand, Bailey Dion, Halle "Comet" Stybel and Missy Sparklingeyes working on defense defending the "Rock Star" Erin Duffee who as always stood her ground and stood on her head as they say.

Now for the K.A. Campbell quote of the week: "Winning is not everything, but making the effort to win is." Last week's answer to: "There is no position in sport as noble as goal-tending."- Vladislav Tretiak, the great Russian goalie.

Comets edge Elks 4-3

VICKI BROOKER
Review Staff

The Marwayne Comets edged out the Elk Point Elks by a narrow 4 - 3 margin when the Elks took to the road on Friday.

The Comets were first on the scoreboard early in the first period, adding a second marker in the final minute to go into the first intermission up by two, and taking a three-goal lead midway in the second frame.

Apple Drugs

Your Natural Choice

Capsule Comments

by Your Natural Choice Apple Drugs
Pharmacy Manager, Chris Letawsky

- Couples having difficulty conceiving a child and are smokers are being told to stop smoking. Studies have shown that there was a 64% rise in miscarriages where either husband or wife smoked 1-2 packs of cigarettes per day.
- You've heard the expression "you're all wet"? It's true that the human body is made up largely of water. Our bones are 20% water. Our brain is 70% water while our blood contains 80% water. On average we contain about 57% water and about 60 elements found in chemistry's periodic table. Great design!
- Heels are susceptible to painful cracking. This is due to excessively dry skin and continually being subjected to friction and pressure. There are some good products to help control this condition. Talk to our pharmacists for advice on how to heal (sorry!) this problem.
- When receiving a new prescription, patients often ask their pharmacist if they can have a drink of wine or other alcoholic beverages. It does depend on the drug and very often moderate consumption will have no effect on the drug's effect. We will ensure you are made aware of significant interactions and remind you with an auxiliary label on your prescription bottle.
- You always want to get the best effect with the least side effects from your medication. Our pharmacists will help you reach this goal.

Firearms charges laid

CPL. ROY AUGER
Elk Point RCMP

On Jan. 17, Elk Point RCMP received a complaint of careless discharge of firearms near a rural residence south of Elk Point.

Police responded and located a vehicle containing several insecure firearms and a quantity of ammunition. Also found in the vehicle were two prohibited rifle magazines both with a capacity of 20 rounds each.

Trevor Brears of Marwayne has been arrested and charged with careless storage of a firearm (one count) as well as possession of a prohibited device in a motor vehicle (one count), both under the Criminal Code.

EDITORIAL

Sharing is caring

It's always heartwarming to see groups and individuals in and around our community taking part in events and efforts that help others to cope with adverse situations that life has handed them.

Some are short term in nature, some continue on an ongoing basis, but all are done out of the goodness of local hearts, by volunteers who will share everything from their time to their own hair with someone overcome with adversity.

All ages take part in these activities, from school children who load Christmas trees with mittens to warm the hands and hearts of inner city children to the dedicated band of women who meet each Tuesday to stitch and tie discarded and donated fabric into quilts for fire victims, homeless shelters and youth camps.

When tragedy strikes a local family, it's amazing how quickly a fundraiser can take shape, and how many people will hop on board with donations of food, silent auction items, and even music for the event.

When misfortune is widespread, even if it isn't local, we still want to help in any way we can, from the donations sent after the 2013 floods in southern Alberta, to the current drive to collect jeans for homeless teens near and far.

We care, therefore we share. It's just how we are.

YOUR VIEWS

Morgan Baker, Jacqueline Penz of Shades Hair Studio and Morgan Evans holding the hair that they donated to the Canadian Cancer Society.

Hair to share

I wanted to let you know a little bit about two selfless girls. Both these girls are named Morgan Baker and Morgan Evans became fast friends four years ago when Morgan Evans moved to Elk Point. They are both in the ninth grade at F. G. Miller High School, they are members of the Elk Point 4-H Multi Club and play fastball with the Elk Point Puma Bantam team. In September they decided to donate their hair to the Canadian Cancer Society, once it was at their hips. It didn't quite get to that length but on Wednesday Jan. 14 they went to the local stylist after discussing their plans with her in December.

Jacqueline Penz of Shades Hair Studio prepared the hair for donation, then cut, washed and styled the shorter hair for them. She also donated her time and fee. She too is quite an amazing lady. These girls hope they will be able to help someone feel better about themselves and have also inspired another young lady to continue to grow her hair and donate it when the time is appropriate.

WAY BACK WHEN....

New library, new electoral boundaries, age-old traditions

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE LAKELAND REVIEW AND ELK POINT REVIEW FOR THE WEEK OF JAN. 27 IN...

1985

Construction began on Elk Point's new municipal library, with site preparation and the pouring of footings for the 3600 square foot facility coming close on the heels of Mayor Ed Buck's signing of the \$167,140 construction contract with Tollfam Contractors Ltd. of Lloydminster. Clark Stuparyk was named president of the Elk Point Chamber of Commerce at the first meeting of the year, which was also the chamber's first meeting that took place in the new banquet room at the Empress.

1990

Town council received the final draft of the Community Services Centre Feasibility Study and spent much of their meeting studying the recommendations for a large facility that would serve the multiple needs of the community's groups and organizations. The possibility of changes to the provincial electoral boundaries that could result in the disappearance of the St. Paul constituency drew considerable concern from chamber of commerce members, who voted to explore the possibility of joining with town council to present a brief expressing their concerns, or alternately to present their own brief at the meeting of the Select Special Committee on Electoral Boundaries to be held in St. Paul in February.

1995

The late 1994 decision to divide the agricul-

The Elk Point Review publishes a variety of opinions as a contribution to debate on matters of public concern. Unsigned editorials express the view of this newspaper's editorial board which includes the Publisher and the Editor. Signed pieces express the view of the individual writer.

tural society into two facility operating committees appeared to be working well, with the two committees working hard to find innovative ways to pay off the massive debt that was divided between them. With Minor Hockey Week arriving, Coach George Bendixen and his Bantam Lightning Elks were excited to learn that they would host the Bantam Provincial Championship tournament in March.

2000

Elk Point Ukrainian Dance Club members kept the age-old holiday traditions alive at their belated celebration of Ukrainian Christmas in the Elks Hall, which was packed with families and friends enjoying heaping plates of tremendous traditional foods before the dancers performed. Elk Point Chamber of Commerce explored fundraising ideas that included hosting a circus, as well as the upcoming Service Best seminar on customer service.

2005

Rumors of drug use by Elk Point young people more than doubled the usual attendance when RCMP Sgt. Brian Quist attended the chamber of commerce meeting to discuss the concerns, with FCSS director Deanna Easthope, F. G. Miller principal Jim Hawkins and school board trustee Darrell Younghans also in attendance. Elk Point Novice Hurricanes, coached by Roland Moneta, Jim Vinge and David Nazarchuk, hosted the first hockey tournament of the New Year, winning both their games in the six-team tournament.

2010

Progress on the Visitor Information EcoCentre hit a snag when the eco-friendly flooring material proved faulty and was recalled by the manufacturer, which indicated that a replacement shipment was being sent immediately. Dedicated volunteers were honoured in Heinsburg at the annual Community Club Appreciation Night, with special recognition for Alice Gregor, who was saluted in song on her 90th birthday.

not available by press time.
Please check at the curling
rink for the official
lineup and times.**

**Congratulations Elk Point Oilmen!
Winning is always a "team" effort.
So is hosting this event for
the past 32 years.**

**Celebrate
responsibly!
Please use the Courtesy Van!**

Lorn Berg photo

Dylan Berg deadlifting 528 pounds in his first powerlifting competition this weekend in Saskatoon.

Heavy lifting required in this sport

LORN BERG
Review Contributor

Dylan Berg entered his first powerlifting competition this weekend in Saskatoon, Sask. He competed in the 182.6 lb. weight class and weighed in at 172.7 lbs..

Dylan squatted 385 lbs., bench pressed 253 lbs. and deadlifted 528 lbs., for a total of 1,166 lbs..

The powerlifting meet was an IPF (International Powerlifting Federation) sanctioned event. The IPF is one of the strictest federations in the world.

Dylan's total qualifies him for provincials in Calgary in July. In order to qualify for nationals you need to compete at provincials and lift the required total, which for Dylan at 182.6 lbs. will be 907 lbs..

Dylan's goal for provincials is to total 1,254 lbs. and qualify for nationals, which will be hosted next year in Moose Jaw, Sask.

St. Paul Education REGIONAL DIVISION NO. 1

INSTRUCTIONAL ASSISTANTS

required for

HEINSBURG COMMUNITY SCHOOL

Heinsburg Community School requires two full-time instructional assistants commencing immediately for the remainder of the 2014-2015 school year.

The successful candidate shall be able to adapt to new situations, schedules, and job assignments and work well using a team approach. Significant time will be spent working with students of all ages and abilities in one-on-one and small group settings. Strong interpersonal and English communication skills are necessary as taking anecdotal notes and working within an educational team will be required.

Training and/or experience working as an instructional assistant would be an asset, however we are willing to provide training and support to a suitable candidate.

For more information, contact Ms. Carmen McLeod, Principal at 780-943-3913. The deadline for applications is February 6, 2015.

Please forward a cover letter and resume with references by mail, fax or e-mail to:

Ms. Carmen McLeod, Principal
Heinsburg Community School
General Delivery
Heinsburg, AB T0A 1X0
FAX: 780-943-3773
Email: carmen_mcleod@spcrd.ca

In accordance with Board Policy, the successful applicant will be required to provide a current Criminal Record Check and a Child Welfare Intervention Check.

We thank you for your interest; however, only applicants selected for an interview will be contacted.

Elks

(Continued from Page 3)

The Elks scored at the end of the second period, Darren Ryan assisted by Mark Brodwin. Lee Letestu narrowed the gap to one goal early in the third with the help of Scott Ward, with that same pair scoring the final goal of the game with 10 seconds left on the clock, in answer to the Comets' goal into an empty net 46 seconds earlier, after the Elks pulled their goalie in an attempt to tie the score.

Elk Point Municipal Library celebrates Family Literacy Day

DAPHNE SCHNURER
Librarian

Family Literacy Day is a national awareness initiative created by ABC Life Literacy Canada in 1999 and held annually on January 27 to raise awareness of the importance of reading and engaging in other literacy-related activities as a family. Taking time every day to read or do a learning activity with children is crucial to a child's development. Even just 15 minutes a day can improve a child's literacy skills dramatically, and can help a parent improve their skills as well. Elk Point Library is here and willing to help!

15 minutes of Fun

ABC Life Literacy Canada is encouraging Canadian families to have "15 Minutes of Fun" learning together this Family Literacy Day. Learning can happen at any time. Practicing literacy together every day has tremendous benefits for both children and parents. Here are some great ways to get started:

1. Read a "wake up" story in the morning (after reading your bedtime story the night before).
2. Search online for fun places to go in your community. Pick out a spot for your next family day trip.

3. Make up a new recipe together and post it online.
4. Tell knock-knock jokes together while doing the dishes.
5. Create a story with your family: take turns writing one sentence at a time, then read the whole story aloud when you're done.
6. Write a review of a book you read together as a family. Send it to the author through email or snail mail.
7. Organize a book swap at your school or with your friends.
8. Track your trip to school, the park, and the grocery store on a map. Find a different route to take to each place.
9. Learn to play a musical instrument. What about the ukulele?
10. Write a note to include in a grown-up's lunch - ask them to write back!
11. Make a popsicle stick model with your family.
12. Write your names graffiti-style using chalk on your sidewalk - you may need to shovel first!
13. Play a board game together.
14. Look up the words to your favourite song online. Have a sing-off with your friends!
15. Count how many steps it takes to get from your bedroom to your kitchen. Find out who in your family has the most steps to a snack!
